**Subject:** Records of Hearing and Final Decision of EMC

Hi Azure:

Thanks for your willingness to help. I am looking for two things:

1. Whether the Alabama Environmental Management Commission held a hearing regarding a request dated February 3, 2016 for a hearing concerning the modification of Solid Waste Disposal Facility Permit No. 35-06 (issued to the City of Dothan), and
2. If a hearing was held, I am looking for the final decision in the matter.

I did find that the petitioner who requested the hearing also filed a complaint to the EPA, which is mentioned in the EMC's meeting minutes dated April 15, 2016 on page 29, but did not see any mention of whether the hearing regarding the permit was held. Again, thanks for your help.

Best,
